Greetings unto the free people of Calontir, and warm wishes for the seasons to come,

This month will see the passing of Our time on the Thrones. It has been a glorious time that We will never forget.

We owe so much to the fine people that volunteered to aid Us as Our retinue. We want to thank Our chamberlain, Qamara, for her work at keeping Us organized and presentable. Many thanks to Our Royal Scribe, Una Vanora, and those who helped her to produce the many wonderful scrolls that We were able to hand out. Thanks to Our champions, Udutai and Hengest for standing by Our sides when We needed them most. Also, we appreciate the vast amount of help given to Us by Our Ladies-in-waiting and Our stewards.

It has been great for Us because Calontir is a great Kingdom to be in. We are glad to know that We will be leaving the Kingdom in Fernando and Lyriel's very capable hands. We wish them well.

In closing, We have made Our decision regarding Faldragorian's claim to nighthood in the SCA. We have reviewed the scroll, Faldragorian's accounts of the group he participated with, the Society records pertaining to the time period, and that research done by previous Monarchs. While we understand the reasons for the confusion, and believe the award was justly given to recognize his skill and chivalrous behavior, It is Our judgement that this award is not nor was it intended to be, an SCA Knighting. With this judgement in mind, within the Society for Creative Anachronism, William Faldragorian may not call himself a Knight, nor wear the white belt, gold chain and spurs, which are the restricted regalia of a Knight of the Society.

From Their Royal Highnesses

Unto the nobles and commons of Calontir are sent warm greetings from Fernando and Lyriel, Crown Prince and Princess.

By the time you read this letter, We will be only a week or so from Our Coronation on the 9th of September. We hope to see as many of you as possible as We join together for a day of fun and merriment in the Barony of Three Rivers. Before We

continue, We would like to thank Their Majesties, Thjo and Yrsa, for Their wonderful job upon the Falcon Throne, and for all Their assistance in bringing Us up to speed. We hope you will join Us in expressing your appreciation for Their hard work on behalf of Calontir.

Please remember that We intend to meet with the Witan and each of the Peerage orders at Our Coronation. In addition We will be meeting with each of the GOA orders and the Fyrd over the next 2 months.

Individuals interested in fighting or being fought for in Crown Tournament should see Our letter on that subject elsewhere in this Mews.

During Our recent visit to the lands of Northshield We were dismayed to chance upon "Top Secret Invasion Plans." It seems these plans were everywhere, as Their Highnesses Northshield muster their troops for an attack into Calontir's northern reaches. Rest assured, people of Calontir. We will not let this attack proceed unopposed. On the 16th day of September We shall muster the Falcon Host at the Shire of Border Downs upon the fields of Armorgeddon and drive the Northshield Griffin back to its nest.

Listen for the Horns of War! Archers, prepare your clothyard shafts; Warriors, make ready your harness and sharpen your blades; Support Troops, gather provisions to keep Our forces well ready; and Artisans, turn your gifts to the arts of war, or work to show your skills to all - that we may be ever reminded for what we fight.

The Falcon flies,

Fernando and Lyriel

Crown Tourney

Unto the people of this fair land are sent greetings from Fernando and Lyriel, Prince and Princess of Calontir.

One of the first duties of every Crown is to ensure heirs to guarantee the security of the Realm. To that end, We will be holding a Crown Tournament on the 2nd of December, in a place to be announced later.

This tournament is unlike any other in Our realm. We ask that all combatants think carefully before requesting admittance into this tournament. Crown Tournament is not the place to go to be seen or to test your skill, but to honorably compete for the Crown of Calontir.

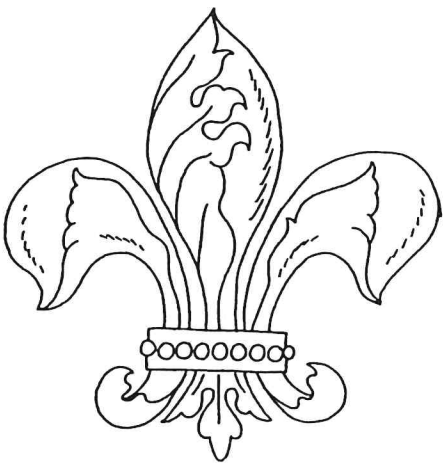
We request that any couple wishing to compete in this tournament have a letter of intent in our hands by the 10th of November, with a copy sent to the Kingdom Seneschal, Baroness Diana.

This letter of intent should include both the combatant and consort's: reason for wishing to compete; full SCA and mundane names; proof of membership through Crown Tournament; and a list of the events attended within the last year. It should also include a discussion of how you each meet the requirements of Section VII of Calontir's Kingdom Law (available at http://calontir.sca.org/senesh/laws/laws.html) and Section IV.A.1.b. of Corpora (available at http://www.sca.org/docs/corpora.hbk.html). Finally, We ask that each letter of intent include a copy of the combatant's arms.

In addition, We request (though do not require) each combatant and consort to enter an item into an arts and sciences display to be held upon the day of Crown Tournament

Should you have any questions please do not hesitate to contact Us.

Fernando and Lyriel
Principe y Princesse



Unto the populace of Calontir, Greetings from your Seneschal.

As most of you are aware, Calon Con has been moved to the last weekend in October. Based on the overwhelming response with possible locations for this event, I have selected a bid. Calon Con will be held in Warrensburg, MO and is being sponsored by the Barony of Forgotten Sea. Please see the flyer in this month's Mews for additional information.

If you are a local officer, please plan to attend this important event. There is no site fee. There will be a great deal of helpful and important information discussed at this event. In addition, Their Majesties have informed me that Her Majesty will be hosting an All-Thing. For those of you that have not attended an All-Thing, let me provide a brief explanation. An All-Thing is basically an open panel discussion. Their Majesties and the Great Officers sit on the panel and members of the populace can ask questions on whatever (within reason) they like. I would encourage everyone, not just officers, to participate.

Also, as a reminder to groups hosting events, you MUST have a flyer published in the Mews the month of your event in order for any official business to take place at that event. If your event is the first weekend of the month, you need to have a flyer in the Mews the month before the event. There are NO exceptions to this. If your event is not official, the Crown cannot give any awards. Information on the Calontir web site is a bonus, it is not a substitute.

Greetings Unto the Populace of Calontir From HL Connor O'Cleary Earl Marshal

I would like to begin by thanking all those individuals who helped support the army this year at Pennsic, the water bearers, soup kitchen, marshal volunteers, etc. who make the war experience that much more memorable for all of us, huzzah....

I would like to remind all the Group marshals and Mof's that this years Calon-con will be held in October so if you have any business and/or suggestions you need to get them into me rather soon so I can put it on the agenda.

Lastly several marshals have mentioned of late that there is some confusion over the choice of weapons allowed for use in a Two-Weapon's authorization. Chapter 14 of "The Marshal's Handbook" in the Section on "Two Weapons" states that any combination of single handed weapons maybe used. This eliminates spears,

greatswords, and polearms from the authorization process. Although both sword and spear and sword and polearm (namely axe) are allowed on the field and "classified" as a two-weapon for authorization purposes, these variants are not suitable for the authorization process.

Greetings and amalgamations from Lord Madoc Arundel, Gold Falcon Herald

With Armorgeddon coming this month, we arrive at the successful conclusion of another war season. War is the great showcase of heraldry, for heralds announce both the declarations of war and of victory, and battlefields and campgrounds come alive with displays of cote armoury, banners, and pennons.

With the end of war comes the time of peace, rebuilding, and (of course) administration of our affairs. This month, we will see the end of one reign and the beginning of another. With the new Queen's heraldic office held in trust, the kingdom herald will need help during the new reign - as well that the office of Gold Falcon Herald shall changeover during this next reign. Also, with the shift in the kingdom schedule, CalonCon will be held this October 28-29. Please, please, please make every effort to attend. This will mark the beginning of Master Mikhail's tenure of office and he will have much to impart. In addition, for those of you who have yet to receive the updates to the heralds' handbook, the remainder will be with me there.

Finally, we held another informal regional meeting in Lonely Tower just before the 4th of July attended by heralds from Nebraska and Iowa. We discussed "lessons learned" from Lilies War, and went over the written tests for Calon Pursuivant. I hope to have one more before the end of my time in office, probably either just before Labor Day or Columbus Day. Depending on Their Majesties' progress and Master Mikhail's schedule, I will be turning my office over at either Cattle Raids or CalonCon, after which you probably won't see me for at least a week or two.

In service to the Dream, the Kingdom of Calontir, and the College of Arms, I remain...

Madoc

Greetings from your chronicler, Ariel of Glastonbury Tor

Well, I've found it necessary to increase the late fee for flyers again. It is now $100. Please understand, I don't want the money, I want the flyers on time. Remember, in order for official business (ie: court) to be conducted at an event, it must be published at least once and all the required information provided.

On a more positive note, I've added another deputy. Ly. Francesca Barozzi will be my deputy in charge of fund raising. She has some great ideas and I'm sure you will be hearing more from her in months to come.

Hope everyone has a good harvest season,
Ariel

Greetings unto the populace of Calontir.

Syr Ariel has asked me to take up the task of raising funds for The Mews. I know that with the help of the people of Calontir, we can be very successful. I have some ideas for fundraising in the next few months that I hope will make Syr Ariel's job of publishing The Mews easier.

I plan to start my fundraising efforts by organizing a bake sale at Coronation. Any and all food items contributed will be gratefully accepted. If you are able to spend some time at the sale table, let me know. And for those of you that attend Coronation, I encourage you to visit the sale table often and indulge yourself. :-)

My future plans include having an auction of donated items and services at Kris Kinder. If you would be willing to contribute items or services to be offered, please contact me at my email address or call me at my home phone number (319) 643-2839. Also, if your group would like to sponsor a fundraiser at an event you will be hosting, please let me know and I will offer any assistance that I can.

I would be honored to accept ideas and help for future fundraisers from the good gentles of Calontir. I thank Syr Ariel for her confidence in me by offering me this opportunity to help her do her job, and to help the Kingdom in any way that I am able.

In service,
Lady Francesca Barozzi

Sitting in relative geographic isolation on the far eastern border of the Kingdom of Caid, the Barony of Starkhafn (Las Vegas, NV) struggles with a dearth of peers and other members possessing long experience and SCA related skills. We in Starkhafn have found our isolation particularly unfortunate given the large numbers of willing teachers with a wide range of talents and knowledge within the SCA. In order to help deal with our isolation, and in an attempt to take advantage of our location as a frequent destination for travelers, we in Starkhafn formed the Visiting Fighter Committee (VFC). While the VFC originally focused exclusively on recruiting peer level fighters to train our locals; within a short time its efforts branched out into recruitment of teachers in any SCA related field of interest to our local members. At this time, the VFC recruits a wide range of teachers from many fields.

If you have skills or knowledge to share, whether related to heavy fighting or some other area, we request the gift of your time and the pleasure of your company. By way of thanks for your time, we can provide crash space at a local member's home. A typical visit will be for the teacher to fly in Friday evening and teach a class

Sunday (or sometimes Saturday) starting around 11 AM and then fly home. The rest of the weekend is spent enjoying the town. This means that for the price of a plane ticket, a teacher can enjoy the world's most famous vacation spot.

So, if you wish to share your SCA skills with an appreciative audience and your business takes you to Las Vegas, or if you simply wish to experience a Vegas vacation while avoiding spendy hotel costs, please do not hesitate contact us and schedule a visit. For further information, contact Conrad Breakring (mundanely Conrad Claus) at 702-455-6453 or 702-464-3155 or via email at breakring@hotmail.com or visit the VFC website at: http://home.earthlink.net/~cerridwen/vfcprogram.html

To make finding IKAC information easier I've set up an extension of On Target Online at http://www.dellarco.com/ikac where you can find IKAC rules, scores and score sheets. Within the next week I'll update the scores and include an IKCAC score sheet. Anyone who wants to host the IKAC rules and scores on their web site, please contact me at ikac@dellarco.com for materials.

Remember to watch the Period Division scoring! The Period Division uses a different target and an 8-4-2 scoring system. Any questions please review the rules or contact me at ikac@dellarco.com.

Also, please remember to include the Kingdom when submitting scores. There are some who only use the name of their Branch and this delays the recording of scores while I try to find which Kingdom the Branch is in.

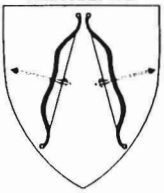
Apocalypse Event

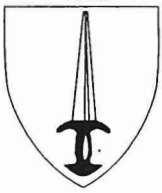
The world is ending soon, and God's wrath will be visited upon it September 30th, 2000...

PESTILENCE



"I watched as the lamb opened the first of the seven seals."
"I looked out, and there before me was a white horse! Its rider held a bow, and he was given a crown, and he rode out as a conqueror bent on conquest."

WAR



"And then lamb opened the second seal."
"Then another horse came out. A fiery red one. Its rider was given power to take peace from the Earth, and to make men slay each other. To him was given a large sword."

FAMINE

"When the lamb opened the third seal,
I looked and there before me was a black horse. Its rider was holding a pair of scales in his hand."

DEATH

"When the lamb opened the fourth seal,
I looked, and there before me was a pale horse! Its rider was named Death, and all of Hell was following close behind him."

"They were given power over a fourth of the Earth, to kill by sword, famine and plague, and by the wild beasts of the Earth." - Rev. 6

This event is to be held September 15th, 16th and 17th of the year 2000 at the Lilies Smithville lake site, but as a wise man once said *"It is never too early to start obsessing about an event."* This will be a camping event. There will be four teams to represent the four Horseman of the Apocalypse: Pestilence in white, War in red, Famine in black and Death in grey.

This will be a ransom tourney in the style of William the Marshall, with the *entire site* as the battlefield! (except for designated areas, of course.) A Passage of Arms by torch light tourney shall follow in the evening during a grand feast.

The Company of Saint Gabriel has agreed to personify the team of Death. Captains and team members for the other three Horseman teams are still needed. Please contact HL Trevor of Chinon at (816) 554-7073, 6 pm - 10 pm Central for more information or to discuss assembling a team.

Come prepared to meet thy Doom...
and have a beer with them afterwards!

To the Portugueses fell the task of turning fable, myth, and story into fact, trade, and every bit as much as the Spanish, hard fought wars of conquest.

In the Spirit of the High Persona Pas de Armes, the ***Shire of the Standing Stones*** presents:

An 11th Century Althing

Come join us on October 21 2000 at the Silver Meadow Girls Scout Camp, in Columbia MO, for a day of things Viking. There will be merchants, period artisans, reveling, fighting, an A&S type competition (contact autocrat for specifics), archery, a modified IKEqC, a law court will be convened so the current rulers may settle a dispute or two, and maybe even a period wedding for those interested in participating. All interested merchants/artisans please contact the Autocrat at your convenience.

There will be a multi-level competition held for a *"mystery prize"* (A "really spiffy hand made Viking thingy"). The competition will be won by the person who has entered and scored the highest in the following categories: fighting, A&S entry, archery, equestrian, bardic, and a special category of periodness (extra points for you late period folk who go out of your way to make period garb.)

Fighting will be done in a Holmganga style. Round/oval/kite shields and period weapons only (i.e. swords, dagger, spear, axe.) Don't worry about the sacrificial cow normally associated with Holmgangs, as it won't be necessary this day. It is even rumored that a liaison of the Varangian Guard will have a recruiting booth set up near the field so he may watch for prospects to serve in the Emperors Guard.

After a day of fighting and shopping there will be a feast of grand proportions in the Long Hall. A menu will be posted on the event web site (see Kingdom web page). Please contact the Steward of the Kitchen with dietary concerns (preferably by email.) During feast there will be much merriment and a bardic piece or two. After the feast the Long Hall will be open for revel and the occasional drinking. For those of you who have to travel great distance but worry about camping in October, no worries the Long Hall has heated below ground sleeping quarters (basement) so bring your camping gear and experience the period feeling of sleeping in a long hall full of your fellow kinsmen. There will also be plenty of room for

camping outdoors. In fact the autocrat asks, no he begs, all those with period style Viking tents to bring them so they can add to the atmosphere of the day.

Directions

15 miles north of Columbia on Highway 63, turn East on Pinnacles Road. Turn left over the bridge, just before Pinnacles Youth Camp. Follow the road through several twists and turns. The Silver Meadow Girl Scout Camp is on the left. Signs will be posted as the entrance road to site has changed from where is has been in the past. Site will open approximately. 4:30pm Friday October 20th and close 1:00pm Sunday October 22nd.

Additional Facilities

Thanks to the Girl Scouts there have been many, many improvements to the site. There has been an extremely nice Lodge built on site with central air, so no matter the climate we will be comfortable, and it also fully handicap accessible. There are now indoor bathrooms (also a separate room with handicap accessible toilet and shower) with showers in the lodge and also two complete bathhouses outside the lodge. There is now a beautiful lake on site, a huge basement for meetings during the day, a full kitchen to use for feasts, fireplaces for nice period fires before/during/after feast, and just many other little improvements that make the site even nicer than before. There are also off site eating facilities, medical facilities and hotel accommodations that are within a short distance also
